

Senior Branch camp 8 – 10 November

Following on from the hugely successful Junior Camp (47 attended) the Senior camp had 48 seniors of all grades including 18 Black Belts.

Where else could you get to train with 1 x 7th Dan, 2 x 5th Dan, 2 x 4th Dan, 3 x 3rd Dan?

The training was varied over the weekend so that everyone attending learned something new and improved on that which they already knew.

The Sayanora Party on Saturday night was special with some sensational and very enjoyable acts. It was very pleasing to see everyone join in (especially the lower graded).

As someone commented later, the camp was so successful because everyone listened to and treated with respect but also because it was just a great group of people doing what they love.

In previous years many seemed to think the camp was for green belts and above but that is not the case and it was so pleasing to see all the yellow, blue, red and white belts there.

It was these lower grades that had a fantastic weekend and thanked Shihancho as they left.

The Green, Brown and Black belts were treated to some special training by Shihancho and Shihan Robbie and Shihan Ron. It was quite obvious that they all enjoyed it immensely.

This email says it all:

Thanks again for an awesome weekend, the training was fantastic!
