Rippleside Break-Up
A very fitting way to end the year with one of the best attended breakups in memory.

Everything we have done this year has been bigger, better and stronger than before so 2018 will long be remembered.

The break-up followed the usual format with some training and then demonstrations by our new dan grades.

The Branch Awards were presented to:
Junior Female – Jasleen Garcha, Narre Warren Dojo
Junior Male – Cooper Harkins, Leopold Dojo
Senior Female – Melinda Baulch, Bellarine Dojo
Senior Male – Damien Domagala, Traralgon Dojo

After that we had a BBQ and refreshments and a great time to relax and enjoy each others company.

Thank you to all those who attended, it was a really great way to finish the year. A special thank you to our senior grades (Shihan Robbie, Shihan Scott, Sensei Chris and Sensei David) for all their help and support throughout the entire year.

Also to all the Dan grades and dojo operators, without you there would be no Branch and with you we are one of the strongest Branches in the World.

To each and every member of the Branch, thank you for such a great year. Whatever you have done and whatever you have supported it is you that makes us strong.

Merry Christmas to all members of the Viccars family.
