

Grading November 16

Following on from our hugely successful Junior and Senior camps the grading had 54 candidates, one of the largest we have had.

It was also very pleasing to see the number of adults grading (24) and the progression of grades with blue and yellow belts coming through. The other very pleasing aspect was the contribution of some of the dojo with Leopold, Timboon and Corio all having very good numbers.

Congratulations to our new green belts: David Riches (Leopold), Gerard Tognon (Bellarine), Charlie Wilson (Colac), William Nagele (Colac) and Frank Tklacevic (Narre Warren).
